

Catering Equipment

Sink Cases

Our sink cases are most suitable for demands of mobile catering services like shootings, concerts or festival productions, commercial and music productions.

According to your demands there is a Mini-, Midi- or Maxi-version available.

The sinks are equipped with an instantaneous water heater (32 A CEE connection) and a comfortable tap. Two sinks and additional working space allow a fast working process.

The delivery takes place on wheels in a convenient case.

Cable of 8 m, 12 m or 20 m can be rented.

You can find more information and more rentable equipment on our website www.japo.de.
